
Dr. Emorie D Beck, Ph.D.

Curriculum Vitae

Postdoctoral Researcher

Northwestern University

Feinberg School of Medicine

Department of Medical Social Sciences

633 N. St. Clair St., 19th Floor, Chicago, IL 60611

Supervisor: Daniel Mroczek, Ph.D.

✉ emorie_beck@northwestern.edu

Personal Website

Positions and Appointments

2022-	University of California Davis Assistant Professor of Personality and Individual Differences Department of Psychology
2020-2022	Northwestern University Feinberg School of Medicine Postdoctoral Fellow Department of Medical Social Sciences

Education

2020	Washington University in St. Louis Ph.D., Psychology, 2020. Advisor: Joshua J. Jackson, Ph.D. <i>Masters Thesis Title:</i> "Selection or Socialization? A Propensity Score Matched Study of Personality and Life Events" ¹ <i>Dissertation Title:</i> "A Mega-Analysis of Personality Prediction: Robustness and Boundary Conditions"
2016	Brown University B.A., Psychology with Honors (magna cum laude), 2016. Advisor: Bertram F. Malle, Ph.D. <i>Thesis Title:</i> "Emotion and Dynamic Moral Judgment"

Awards and Honors

2022	Tanaka Dissertation Award Finalist , Association for Research in Personality
2021	Emerging Scholar Award , Association for Research in Personality
2021	Dissertation Award Finalist , European Association of Personality Psychology
2018	Departmental Teaching Award , Psychological and Brain Sciences, Washington University in St. Louis
2018	Summer School in Personality , European Association of Personality Psychology
2017	Scholarship and Travel Award , The Society of Young Network Scientists
2017	Student Travel Award , Society for Personality and Social Psychology
2016	Muriel Fain Sher Premium in Psychology , Brown University
2016	Kling Premium for Excellence in Teaching , Brown University

Grants

2018	Visionary Grant , American Psychological Foundation, Co-PI (\$19,268)
2018	Inside the Grant Panel , Society for Personality and Social Psychology (\$5000)
2018	Predoctoral NRSA , National Institutes of Aging T32 AG00030-3 (\$49,140)
2015	Undergraduate Teaching and Research Award , Brown University (\$3,500)
2014	Linking Internships and Knowledge , Brown University (\$3,000)

Invited Talks

Beck, E. D. (2022). Personality prediction from persons to populations.

Invited virtual colloquium to be presented at the Social, Economic, and Decision Psychology colloquium, Faculty of Psychology, University of Basel.

Beck, E. D. (2022). Using idiographic metrics to understand nomothetic change. Madrid, Spain. Invited talk to be presented at the European Association for Personality Psychology Biennial Conference.

Beck, E. D. (2022). Systems approaches to personality: Idiographic, within-person, and between-person. Bielefeld, Germany. Invited colloquium to be presented at the Department of Psychology, Universität Bielefeld.

Beck, E. D. (2021). Beyond static traits in the study of personality. Davis, CA. Invited talk at the Social-Personality Area Brown Bag, University of California, Davis.

Beck, E. D. (2021). So you want to use some time series data. Evanston, IL. Invited talk at the Quantitative Seminar Series, Northwestern University.

Beck, E. D. (2021). Personality structure and change. Invited talk for the European Journal of Personality's *Personality Psychology Podcast*.

Beck, E. D. (2021). A mega-analysis of personality predictions: Robustness and boundary conditions. Berlin, Germany. Invited talk at Deutsches Institut für Wirtschaftsforschung (DIW).

Beck, E. D. (2020). A mega-analysis of personality predictions: Robustness and boundary conditions. Berlin, Germany. Invited talk at Freie Universität Berlin.

Beck, E. D. (2020). Promises and challenges of big data in personality. New Orleans, LA. Invited talk presented at the Society of Personality and Social Psychology Annual Conference.

Beck, E. D. and Jackson, J. J. (2019). Network approaches to representing and understanding psychological dynamics. Alexandria, VA. Invited talk at the Measuring and Modeling Individuals Meeting.

Beck, E. D. (2019). Personalized interventions: Using networks to change behavior and predict outcomes. Portland, OR. Talk presented at the Society of Personality and Social Psychology Annual Conference.

Beck, E. D. (2019). Invited speaker on methodology. Washington, D.C. Hackathon Chair at the Association for Psychological Science Annual Conference.

Beck, E. D. (2017). Dynamic personality networks. Providence, RI. Invited talk at the Department of Cognitive, Linguistic, and Psychological Sciences, Brown University.

Chaired Symposia

Atherton, O. E. and **Beck, E. D.** (2021). Change, correlates, and structure of personality across adulthood. Phoenix, AZ. Chair at the Gerontological Society of America's Annual Conference.

- Beck, E. D.** (2020). Big data research in personality. Atlanta, GA. Chair at the Society of Personality and Social Psychology's Annual Conference.
- Beck, E. D.** (2019). Special topics in Experience Sampling Methods assessment and modeling. Grand Rapids, MI. Chair at the Association Research in Personality Biennial Conference.
- Beck, E. D.** and Jackson, J. J. (2019). New methods for assessing idiographic personality dynamics. Atlanta, GA. Chair at the Society of Personality and Social Psychology's Annual Conference.

Workshops

Beck, E. D. (2022). Methodological considerations in the study of idiographic approaches and personality dynamics. Madrid, Spain. Invited workshop at the Summer School in Personality Science, European Association of Personality.

Beck, E. D. (2021). The Experience Sampling Method for Beginners. Virtual. Invited workshop at the Society for Personality and Social Psychology Summer Forum in Psychology.

Beck, E. D. (2020). Introduction to R and RStudio. St. Louis, MO. Invited workshop series for graduate students at Washington University in St. Louis.

Beck, E. D. (2020). Introduction to R and RStudio. Virtual. Invited six workshop series for undergraduates at Washington University in St. Louis.

Beck, E. D. (2020). APA style tables in R. Virtual. Invited workshop on Advanced R Topics at Washington University in St. Louis.

Beck, E. D. (2020). Introduction to purrr. St. Louis, MO. Invited workshop on Advanced R Topics at Washington University in St. Louis.

Beck, E. D. (2019). Building your R workflow. St. Louis, MO. Invited workshop on Advanced R Topics at Washington University in St. Louis.

Beck, E. D. (2019). Introduction to R and RStudio. St. Louis, MO. Invited workshop series for graduate students at Washington University in St. Louis.

Girard, J. and **Beck, E. D.** (2019). Introduction to R and tidyverse. Pittsburgh, PA. Invited Workshop at the Pittsburgh Methodology Series.

Beck, E. D. (2019). Introduction to R and RStudio. St. Louis, MO. Invited six workshop series for undergraduates at Washington University in St. Louis.

Oral Presentations

Beck, E. D., Kuper, N., Horstmann, K. T., and Jackson, J. J. (2022). A dynamic systems approach to personality-situation transactions. Madrid, Spain. Talk to be presented at the European Association for Personality Psychology Biennial Conference.

Beck, E. D., Scott, S., Ong, A., Mroczek, D. K., and Graham, E. K. (2022). Idiographic prediction of physical pain in young and older adults. Chicago, IL. Talk to be presented at the Association for Psychological Science Annual Conference.

Beck, E. D. (2021). Personalizing the study of personality and health. Virtual. Talk presented at the Department of Medical Social Sciences Postdoctoral Welcome, Feinberg School of Medicine.

Beck, E. D. and Jackson, J. J. (2021). A mega-analysis of personality predictions: Robustness and boundary conditions. Virtual. Talk to be presented at the Gerontological Society of America's Annual Conference.

Beck, E. D. and Jackson, J. J. (2021). Persons, situations, and time: Idiographic behavior prediction. Virtual. Talk presented at the German Psychological Society - Personality Psychology and Psychological Diagnostics (DPPD) Section.

Beck, E. D. (2021). Measuring and modeling idiographic persons and nomothetic populations in personality. Virtual. Talk presented at the Society of Personality and Social Psychology Annual Conference.

Beck, E. D. and Jackson, J. J. (2019). Can we do better? Why short assessments miss the complexity of personality in ESM assessments. Grand Rapids, MI. Talk presented at the Association Research in Personality Biennial Conference.

Beck, E. D. and Jackson, J. J. (2019). On predicting other people some of the time: Within- and cross-situational consistency in behavior. Hanoi, Vietnam. Talk presented at the World Conference of Personality Psychology Triennial Conference.

Beck, E. D. and Jackson, J. J. (2019). Detecting idiographic personality change. Portland, OR. Talk presented at the Society of Personality and Social Psychology Annual Conference.

Beck, E. D. and Jackson, J. J. (2018). A propensity score matched study of personality change following life events. Zadar, Croatia. Talk presented at the European Association for Personality Psychology Biennial Conference.

Beck, E. D. and Jackson, J. J. (2018). Idiographic personality: A methodological perspective on measuring and modeling individuals. San Francisco, CA. Talk presented at the Association for Psychological Science Annual Conference.

Beck, E. D. and Jackson, J. J. (2018). I am what I do and I do what I am? Correlated change in state and trait personality. Atlanta, GA. Talk presented at the Society for Personality and Social Psychology Annual Conference.

Beck, E. D. and Jackson, J. J. (2017). A tale of two stabilities: A longitudinal ESM study of dynamic personality structure. Indianapolis, IN. Talk presented at the Cognitive Network Science Satellite Conference at the NetSci2017 Annual Conference.

Beck, E. D. and Jackson, J. J. (2017). The stability of network structure for personality: A two-year longitudinal ESM study. Indianapolis, IN. Data Blitz presented at the Society for Young Network Scientists Symposium at the NetSci2017 Annual Conference.

Beck, E. D. and Jackson, J. J. (2017). More than the sum of its parts? using personality networks to predict outcomes. Sacramento, CA. Talk presented at the Association for Research in Personality Biennial Conference.

Beck, E. D. and Jackson, J. J. (2017). The stability of network structure for personality: A two-year longitudinal ESM study. San Antonio, TX. Data Blitz presented at the Society for Personality and Social Psychology Annual Conference.

Poster Presentations

Beck, E. D. and Jackson, J. J. (2021). Persons, situations, and time: Idiographic behavior prediction. Virtual. Poster presented at the Association Research in Personality Biennial Conference.

Jackson, J. J. and **Beck, E. D.** (2021). A mega-analysis of personality prediction: Robustness and boundary conditions. Virtual. Poster presented at the Association Research in Personality Biennial Conference.

Beck, E. D., Malle, B. F., and Thapa Magar, S. (2017). Emotion and information processing in dynamic blame judgments. San Antonio, TX. Poster presented at the Society for Personality and Social Psychology Annual Conference.

Beck, E. D. and Malle, B. F. (2016). Emotion and morality: Disentangling cognitive appraisals' impacts on moral judgments. San Diego, CA. Poster presented at the Society for Personality and Social Psychology Annual Conference.

Technical and Statistical Skills

Programming Skills:

R, Matlab, L^AT_EX, HTML/CSS, Python, JavaScript, SQL

Analytic Skills:

- Time-series analysis
- Bayesian modeling in R and Stan
- Multilevel / Hierarchical Modeling: Intensive Longitudinal, Longitudinal, and Structural (Item Response Theory)
- Structural Equation Modeling: Longitudinal and Structural (Factor Analysis and Item Response Theory)
- Machine Learning:
 - Techniques: Regularization, Cross-Validation, Boosting, Bagging
 - Algorithms: Classification / Regression, Random Forest, BISC/WUIT, Support Vector Machines, Neural Networks
- Network Psychometrics

Teaching Positions

Summer School in Personality Science, European Association of Personality

Expert and Teacher, Idiographic Approaches to Personality; Personality Dynamics, July 2022

Pittsburgh Methodology Series, University of Pittsburgh

Co-leader (with Jeffrey Girard), R for Social Scientists Workshop, July 2019

Assistant to Instructor, Washington University in St. Louis

Department of Psychological and Brain Sciences, August 2017-December 2019

Courses:

- Psych 301 (Fall 2017), Experimental Psychology (John Nestojko)
- Psych 301 (Spring 2018), Introductory Psychological Statistics (John Nestojko)
- Psych 5165 (Fall 2019), Applied Longitudinal Data Analysis (Josh Jackson)

Awards: Departmental Teaching Award

Curriculum Development Assistant; Teaching Assistant, Brown University

School of Professional Studies, Executive Master in Science and Technology Leadership Program, March 2016-June 2020

Course:

EMSTL, Strategic Reasoning and Behavior (Joachim I. Krueger)

Duties: Design course content and activities for a Masters course on the application of cognitive and psychological research on decision-making, reasoning, and happiness. Act as teaching assistant for course.

Teaching Assistant, Brown University

Department of Cognitive, Linguistic, and Psychological Sciences, 2014-2016

Courses:

- CLPS 1790 (Fall 2015 & 2016), Personality and Clinical Assessment (Jack C. Wright)
- CLPS 0700 (Spring 2016), Social Psychology (Bertram F. Malle)

Awards: Kling Premium in Psychology for Excellence in Teaching

Professional Activities

Ad Hoc Reviewer:

Journal of Personality and Social Psychology
Personality and Social Psychology Review
Perspectives in Psychological Science
European Journal of Personality
Developmental Psychology
Journal of Research in Personality
Complexity
Journal of Personality
Psychological Methods

Other Service:

Reviewer, Summer School in Personality Science, 2020
Four-time Participant, The RepliCATS Project, 2019-present

Department, University, or Community Service
